TERMS AND CONDITIONS

1. The Applicant agrees to pay, without any deduction or set off in law or in equity whatsoever, the Price within 30 days of the date of the invoice rendered by the Company or within such other period of time as may be notified to the Applicant from time to time by the Company.
2. The Applicant and the Guarantors agree that this trading agreement and each application for credit made by the Applicant shall be deemed to have been accepted from the date of the Company's first invoice to the Applicant after the date of this trading agreement and without further notice to the Applicant and the Guarantors, this document shall immediately have effect as an agreement by deed between the Company, the Applicant and the Guarantors.
3. The Applicant and the Guarantors acknowledge and agree the Company's full terms and conditions of trading agreement published on the Company's website ("Full Terms") are incorporated into and form part of this agreement. The Applicant and the Guarantors further acknowledge and agree they have obtained and reviewed the Full Terms prior to signing this agreement.
4. If the Applicant accepts a quotation provided by the Company, the Applicant must indicate its acceptance either by email or by forwarding a purchase order within 14 days of the quote. The Price quoted by the Company remains valid for one month from the date of acceptance of the quote and, if the Applicant fails to pay for the goods in full or take delivery of the goods within that time, the Company shall be entitled to provide an amended quote or cancel the order.
5. If goods are paid for in full by the Applicant within 1 month of acceptance of the quote, the Company will hold the goods (provided they are non-perishable) for up to 3 months from the date of payment free of charge. If the goods are not collected by the end of that 3 month period then storage charges shall apply.
6. The Company shall be entitled to charge interest on all outstanding monies due by the Applicant at the rate of 15.0% per annum.
7. All legal costs (on a full indemnity basis), charges, duties and other expenses incurred by the Company in respect of this agreement or the securities or other documentation required hereunder or in relation to registering, maintaining or releasing any security interest, charge or caveat (including the cost of registering any financing statement or financing change statement), or incurred as a result of the Applicant failing to perform their covenants and obligations contained herein, shall be paid by the Applicant to the Company. The expenses include, but are not limited to, the commission payable to a mercantile agent or a debt collector to pursue or recover outstanding monies pursuant to this agreement and the liability to pay this commission arises at the time the recovery is placed in the hands of the debt collector. The Applicant agrees that it is liable for and will pay any stamp duty assessed on this document.
8. Property in any goods supplied by the Company to the Applicant will not pass to the Applicant until such time as the Applicant has made payment in full of the Price for the goods and any Other Monies owing by the Applicant to the Company and has met all of its obligations to the Company. The Applicant agrees that goods supplied by the Company to, or at the request of, the Applicant shall be at the Applicant's risk (including insurance responsibility) immediately on leaving the Company's premises or into the Applicant's custody (whichever is the sooner). The Applicant further agrees:-
 - (i) to store and maintain the goods in such a manner as to show clearly that they are the property of the Company and the Applicant shall be at liberty to sell the goods, in the ordinary course of business, but only as a fiduciary agent for the Company and shall account to the Company for all proceeds from any sale;
 - (ii) under this agreement the Company may enter upon the Applicant's premises or elsewhere without notice and with force if reasonably necessary to repossess the goods without being liable for trespass. The Applicant shall indemnify the Company for any loss or damage suffered by the Company and against all claims brought against the Company arising from the Company repossessing the goods;
 - (iii) that in the event the Applicant uses the goods in some manufacturing or construction process of its own or some third party and so as to meet payment due to the Company under this agreement, the Applicant shall hold such part of the proceeds of such manufacturing or construction process as relates to the goods in trust for the Company. Such part shall be deemed to equal in dollar terms the amount owed by the Applicant to the Company at the time of the receipt of such proceeds; and
 - (iv) to better secure any outstanding payment due to the Company under this agreement, the Applicant appoints the Company as their attorney to collect the goods and/or to collect payment from any third party for the goods and/or to collect payment from any third party who owes monies to the Applicant and to apply that payment against the Applicant's account with the Company. If payment is collected by the Company from a third party, then the Applicant irrevocably agrees with the Company and with the third party that in providing this attorney the third party's liability for payment to the Applicant in relation to the outstanding monies is reduced by the sum of the payments collected by the Company from the third party.
9.  - (vi) The Applicant and the Guarantors must not enter into any security agreement that permits any other person to have or to register any security interest in respect of the goods supplied or any proceeds from the sale of the goods or grant any other security interest in favour of any party until the Company has perfected its purchase money security interest and other security interests created under this agreement.
 - (vi) The Applicant and the Guarantors must not do or permit anything to be done that may result in the purchase money security interest or any other security interest granted to the Company ranking in priority behind any other security interest.
 - (vii) To the fullest extent permitted by the PPSA the Applicant and the Guarantors (to the extent applicable to such party) agree to contract out of the application of the provisions listed in sections 115(1) and 115(7) and the sections listed therein shall not apply.
 - (viii) The Applicant and the Guarantors hereby waive any rights the Applicant and the Guarantors may otherwise have to:
